Oasis Ministries

Over the past fifteen years Oasis has provided a safe and supportive environment to over 1200 pastors, missionaries, leaders and spouses working through personal and ministry challenges. The wounded, weary, thirsty and/or in transition ministry couples/singles have found Oasis a place of hope, health, healing. A place where they found the resources to continue in ministry, refreshed and renewed or the strength to move on from an ministry that hasn't worked out. The participants have come from over 62 denominations/Missions agencies, 8 Canadian provinces, and 20 US states.

Oasis Experiences

Oasis offers a variety of experiences:

- Small group retreats (4 couples/singles)
- Individual Focused Encounters
- Health Check Workshops for pastors
- Health Check Workshops for Elders/Leaders
- Spiritual Direction
- Coaching/Counseling
- Reconciliation

Refreshed and Renewed

Oasis provides water for the thirsty travelers in need of refreshment, food for the hungry that satisfies and renews strength for the journey, rest for the weary, and community for those who travel alone.

By sponsoring a pastor, missionary, leader and spouse you are investing in their ministry longevity and the lasting impact that healthy leaders bring to the communities in which they serve.
